Summary

Passionate CSE graduate and full-stack developer driven to build smart, user-focused web solutions with React, Node.js, and Java—clean code, sharp problem-solving, and endless curiosity included.

Education

Bengal College of Engineering and Technology B.Tech in Computer Science   Aug 2021 – June 2025
- CGPA: 7.9/10.0

Skills

Languages: C++, Java, Python, JavaScript

Web Development: HTML5, CSS3, JavaScript, React.js, Redux, Node.js, Express.js

Database & Tools: MongoDB, DBMS, MySQL, MS Office, Git, , SQL,vite,idle,

Concepts & Tools: Data Structures, Object-Oriented Programming (OOP), REST APIs, Deployment (GitHub/Netlify)

Soft Skills: Teamwork, Problem Solving, Quick Learning, Communication

Experience

Web Developer Intern, InternPe – Remote   Aug 2024 – Sep 2024

Developed responsive front-end components using HTML, CSS, JavaScript, and React, with hands-on experience in Git, GitHub, and deployment on Netlify.Collaborated with mentors to follow best coding practices and sharpen skills in modern web development workflows.

Projects

Movie-Recommendation-System

- Built a dynamic movie recommendation web app using React, Node.js, and collaborative filtering, focusing on API integration, responsive UI, and seamless deployment.

Gas Booking Website

- Designed a responsive gas booking webpage using HTML and CSS, replicating real-life service portals with a focus on clean layout and front-end aesthetics.

Online Food Delivery System
- Created a static, responsive food delivery webpage using HTML and CSS, mimicking real-world platforms with a focus on UI design and usability.

Certifications & Courses
- **The Complete Web Development Bootcamp :** Learned full-stack development including HTML, CSS, JavaScript, React, Node.js, MongoDB, and deployment techniques.
- **Full-Stack Web Development Certification:** Mastered front-end and back-end skills using HTML, CSS, JavaScript, React, Node.js, and MongoDB through hands-on projects.

Achievements & Hackathons
- Built and presented a **Movie Recommendation App** as part of a team project.
- Successfully deployed personal projects on **GitHub Pages** and **Netlify**.
- Continuously learning through online platforms to stay updated with modern development practices.
